

OFFICE OF THE MAYOR

February 10, 2011

Stephen Mandel, Mayor
City of Edmonton
3rd Floor, City Hall
1 Sir Winston Churchill Square
Edmonton, AB T5J 2R7

Dear Mayor Mandel:

On behalf of the City of Grande Prairie, I am pleased to write this letter to issue a challenge to you, your Council and your community.

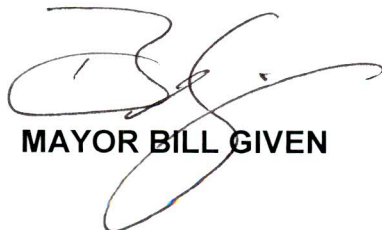

The Green Grouch Environmental Initiative is a website that encourages users to sign up and complete a weekly checklist of simple steps individuals can take, at home or work, to make a positive environmental impact.

This website is about action and I feel a nation-wide contest is the perfect vehicle to spur change! To find out more about the Green Grouch Environmental Initiative please visit their website at www.thegreengrouch.com.

The contest was designed to encourage all of us to do more to protect the environment. Sometimes we all need a nudge in the right direction. I encourage you and your Council to visit the website and get registered. As I write this Grande Prairie is the only Alberta Mid-Sized City in the top ten - in fact, we're #1.

Catch us if you can!

Yours truly,

MAYOR BILL GIVEN
